

About Us

At TRISS, we are committed to empowering individuals living with disability to lead independent, fulfilling, and meaningful lives. As a trusted NDIS service provider, we deliver person-centred support tailored to each individual's unique needs, goals, and aspirations.

Our dedicated team works closely with participants, families, and carers to create supportive environments that promote confidence, inclusion, and wellbeing.

Your goals. Your choice. **Our support.**

Our NDIS Services & Supports

Daily Living Support

Assistance with everyday tasks to help you live comfortably and independently at home.

Community Participation

Support to engage in social activities, build connections, and stay active in your community.

Transport Support

Safe and reliable transport for appointments, work, and daily activities.

Capacity Building

Helping you develop skills, confidence, and independence to achieve your goals.

Support Coordination

Guidance to manage your NDIS plan and connect with the right services.

Community Nursing Care

Professional health support including medication management and clinical care at home.

Plan Management (PM)

Take control of your NDIS funding with stress-free plan management services.

- Hassle-free invoice processing
- Budget tracking and financial support
- Choice and flexibility with providers
- Transparent and reliable service

Plan Management allows you to focus on your goals while we handle the financial side of your NDIS plan.

Accommodation Services (SIL / STA / MTA)

We provide flexible accommodation options to support your independence and lifestyle, including Supported Independent Living (SIL) for ongoing daily support, Short-Term Accommodation (STA) for respite and temporary stays, and Medium-Term Accommodation (MTA) for transitional living

Supporting you to live life your way.

Dedicated to helping you achieve your goals with the right support, care, and NDIS services.
